Fall 2016

## 2016 Holiday Food Basket Program

Dear Generous Contributor:

The Village of Carbon Cliff is currently collecting donations for the **2016 Holiday Food Basket Program**. This program was established over two decades ago and has continued to grow each year in order to help feed those individuals in our community that suffer from hunger and malnutrition. One week prior to Thanksgiving and Christmas, the Carbon Cliff Food Basket Program helps distribute Holiday Food Baskets to less fortunate families within the Village. Here at the Village, we understand that for some families paying the bills and putting food on the table can be a daily struggle. As much as the Village would like to help every family in our community, we simply do not have the funds or the resources to do it alone. With your help, we know we can make a difference in someone's life this holiday season. If you wish to volunteer, make a monetary contribution or donate nonperishable food items, please contact the Village Hall at (309) 792-8235 or Alma Neels at (309) 235-1241. Additional information and updates available at [www.Carbon-Cliff.com](http://www.Carbon-Cliff.com).
