PUBLIC SAFETY COMMITTEE MEETING

(FIRE, POLICE, HEALTH, PLANNING, ZONING, INSPECTIONS AND CIVIL DEFENSE)

Village Hall – 106 1st Avenue, Carbon Cliff

AGENDA

Monday, October 9, 2017

7:00 P.M.

1. Update from the Rock Island County Sheriff's Department (Monthly Calls / Problems / Etc.)
2. Residents are complaining about cars parking on the street next to the Tot Park in Mansur Wood Addition, I guess the same two cars park there most of the time, instead of parking in their driveway or the overflow parking area. Maybe look at limiting the parking time in this area to several hours, no overnight parking, etc. This would have to have Village Attorney draft an Ordinance before signs could be installed and enforced.
3. MUNICES update – please refer to email from Village Attorney Kathy Orr. Majority of the items were Code type issues. Currently issuing tickets is not helping, if they are not paid we don't have any way of taking the tickets to court against the resident for payment and compliance, it would require the Village to hire a prosecutor. As Attorney Orr states to take care of nuisances and Village Code Violation there will always be a cost to the Village, maintaining properties in Carbon Cliff results in increases in the value of all Village properties. Does the Committee want to recommend to the Board to join the MUNICES, hopefully we could get this done and some of the properties cleaned up before winter.
4. Discuss the severe weather sires located at current Village Hall and on top of water tower. Do we need to try and budget for them or start saving to replace them in a couple years? Do you want to leave the current working severe weather siren located here at current Village Hall or attempt to move it, this will take a company like Racom to come and do some wiring and possible programing, etc.
5. Discuss normal budget items for 2018
6. Monthly Maintenance Comp Time Report – September 2017.
7. Monthly Clerk's Report – September 2017.
8. New Business / Other.

Next Meeting – Monday, November 13, 2017 – 7:00 P.M. at Village Hall
